

## Caritas Congo ASBL Board members equipped with knowledge to better understand financial statements

**Kinshasa, 08 June 2018 (caritasdev.cd):** The members of the Board of Directors of Caritas Congo Asbl benefit from a capacity building workshop on strategic management. The aim of these sessions is to equip them with their attributions and roles. This includes allowing them to have a better understanding of the accounts and financial statements. These meetings are held from 06 to 07 June 2018 at the Caritas Reception Center (Centre D'Accueil) in Kinshasa / Gombe.

Mr Louis Samba Zamambu, Facilitator

*"At their meetings, the members of the Board of Directors discuss the financial statements, the audit reports, etc. But not all of them necessarily have a financial profile; even in public companies. This training aims to give them the basics of finance, audit, the Board of Directors, Accounting, financial analysis, budget management, etc. It is in this context that this seminar is organized,"* said his Facilitator, Mr. Louis Samba Zamambu, Chartered Accountant, listed in the table of the National Order of Chartered Accountants of the DRC (ONEC-DRC), teacher at the Higher Institute of Commerce (ISC-Gombe).

As a reminder, the Board of Directors of Caritas Congo Asbl has 14 members: 10 Bishops, the Secretary General of CENCO (National Episcopal Conference of Congo), the Executive Secretary of Caritas Congo Asbl and two other Personalities including an Abbot Coordinator of a Caritas-Diocesan Development and an Expert.
